Schwalbe Johnny Watts Tire | DD - RaceGuard |

Beeq recommends the use of this tire, as an upgrade, on the all the ATB/Hardtail models.

THE PERFECT CHOICE FOR SUV BIKES. Like no other, Johnny Watts unites smooth rolling on hard ground with longevity and puncture protection. Off-road instilling confidence, while on pavement rolling whisper-quiet.

Versatile tread for a wide range of use from asphalt to off-road.

Blocks with large contact areas for excellent rolling, little vibration and high durability.

Steady and forgiving cornering behavior on hard ground.
